Town Hall Indoctrination Classes

Since 2009, attorneys [Tom Ward](#) and [Vicki Comberiat](#) have been volunteering their time and experience to co-teach an indoctrination class for the members of the Greenwich Association of Realtors. The class is taught every other month throughout the year in an informal setting by touring the various Town Hall departments with the realtors, particularly the Assessor's office, Probate Court, Town Clerk's office and the building, zoning, wetlands, health and sewer departments, and informing the realtors of the information and documents that can be found in those departments. The class also aims to instruct the realtors as to the rules and regulations of the Town's municipal departments as they concern real estate matters in order for them to better serve their clients.
